++ Valid for broadcast between 1800 and 0600

Headline:
Heavy, perhaps thundery showers easing. Rather cloudy by dawn. Mild.

This Evening and Tonight:
Evening sunshine, but also slow moving heavy and thundery showers, with hail possible, mainly in east. These generally easing through the night, with low cloud becoming extensive, although the odd shower persisting across Kent. Mild with light winds. Minimum temperature 14 deg C (57 deg F).

Monday:
Low cloud clearing, then dry with warm sunny spells. Further heavy, slow moving showers are possible later, although these fewer and further between than on Sunday. Maximum temperature 28 deg C (82 deg F).

Outlook for Tuesday to Thursday:
Unsettled through this period, with showers and some longer spells of rain. Temperatures largely below average, in marked contrast to the week just gone. Probably brighter but breezy on Thursday.
